

Heltec LoRa32 battery connector is using a clone by CJT (CJT Part Number: A1251WR-S-2P) of a Molex PicoBlade (Molex Part Number: 532610271). This connector has a pitch of 1.25mm.

This footprint is design to support different right angled SMD connectors (Plus clones of such connectors).

Battery Connector Supported Form Factor:

- 1.25mm Pitch Molex PicoBlade (Heltec LoRa 32)
- 1.25mm Pitch JST GH Series
- 2.00mm Pitch JST PH Series (RAK19007 WisBlock)
